Only them. a few moments before this point was raised Senator Hale had seriously criticised the Delaware election case was taken up, Mr. Senator Morgan introduced a resolution, the gling Cubans, and had commended the the views of the minority of the comantagonistic to the cause of liberty.

The truth is that the recent enterprises of modern journalism have played havoc with diplomatic usages. Cabinet members, pressibly shocked to find that statesmen like Canovas del Castillo and Emilio Castelar prefer to address the American public through the columns of a great newspaper than through the circumlocution office known as the State Department, from which nothing ever emanates that reaches prise of the Journal, with its signed state- to go near the man, and, reloading, La- or to the Central Pacific or branch roads. ments from the Queen Regent of Spain, pointe resumed firing, shooting right and Senor Emillo Castelar, His Holiness the left promiscuously.
